

STAR LAKE TOWNSHIP E - BULLETIN # 9 – REVISED.

SUBJECT: 355th STREET REOPENED!!

DATE: 2/23/17

This is to advise that 355th Street that was closed yesterday, has been repaired and once again is open for traffic.

Be advised that while passable, this is a temporary repair and there remains a significant bump. Drivers are advised to cross over slowly. A more permanent repair will be made once the roadway thaws in the spring.

Until that time, drivers should utilize discretion and care. Otter Tail County Dispatch has been notified accordingly.

Thank You.
