

STAR LAKE TOWNSHIP E - BULLETIN # 28

SUBJECT: 2019 Dust Control Program

DATE: 3/13/19

This serves as a reminder that applications for the 2019 Dust Control Program are due to the Town Clerk by April 1st, 2019. Applications may be obtained by visiting starlaketownship.org, clicking on the Road Services tab, and down-loading the form listed at the bottom of the Dust Control Policy.

It is important that we receive these in a timely manner so we can negotiate our best volume-based price from our vendor. We anticipate our cost will remain the same as last year, \$.66/linear foot – however, we will not know for sure until we receive all your applications.

Per our program, payment in full is required by May 1st, and dependent upon weather conditions and vendor supply, the actual application of the chemical will take place by early June. Complete details of the program are also on the website. Please direct any specific questions to Lee Mindemann at sup2@starlaketownship.org.

Respectfully, Lee Mindemann – SLT Board
