

STAR LAKE TOWNSHIP E - BULLETIN # 36

SUBJECT: BIG ROCK ROAD ½ Mile West of Buddy Lane

DATE: 4/20/20

This is to advise that **Big Rock Road is NOW OPEN** to public traffic. Otter Tail County Sheriff Dept. has been appropriately notified of such.

All SLT residents should be aware that spring road grading operations are underway. As usual for this time of year, drivers should use extra care when traveling on gravel roads; frost heaves and depressed culverts are hazards that can develop quickly and present significant “surprises” to unwary drivers.

If you note any of these “surprises” that are unmarked, please notify a Supervisor or send an email to the SLT Clerk.

Thank You.

Star Lake Township Board
