

STAR LAKE TOWNSHIP E - BULLETIN # 38

July 6, 2020

SUBJECT: Road Construction on Otter Tail County #35 from intersections with Hwy 41 and Hwy 1.

This is to advise that County Hwy 35 south from Hwy 41 to Hwy 1 will be under significant road construction beginning 7/17/20 for several weeks. The road will be completely resurfaced with significant shoulder work as well.

Those travelling to & from Fergus Falls and points south may want to consider using Hwy 24 to Erhard and U.S. 59 south as an alternative. This is an Otter Tail County Highway Department project – your tax dollars at work.

Respectfully, SLT Town Board
