

STAR LAKE TOWNSHIP E - BULLETIN # 45

Oct. 15, 2020

SUBJECT: LAST CALL FOR 2020 CENSUS!!

This is literally the last day (10/15/20) to step up and be counted for the 2020 U.S. Census!

“The census is the foundation of our democracy and tells the story of who we are and where we are going as a nation. Federal funding for essential services and congressional representation are on the line, and it is crucial that we achieve a complete and accurate count,” according to Susan Brower, MN State Demographer.

Brower continues, “Minnesota should be proud of the work we’ve already done to achieve a nation-leading self-response rate, which we hope will allow us to retain Minnesota’s 8 Congressional seats and assure the proper allocation of over \$24 billion annually in federal funds that help support Minnesota’s schools, hospitals, agriculture, first responders, roads, businesses, and households.”

If you, or someone you know has not completed the 2020 Census ask them to do so NOW! Responding to the Census is quick and easy. **See the updated deadline information for the 2020 US Census provided below:**

- Internet self-response will be available across the nation through October 15, 2020 until 4:59 am Central Standard Time on October 16, 2020. **Visit <https://my2020census.gov/> to respond today.**
