

STAR LAKE TOWNSHIP E - BULLETIN # 52

Mar. 8, 2021

SUBJECT: Spring Road Weight Restrictions

This is to advise that state, county, & township road weight restrictions will go into effect at 12:01 A.M. March 9, 2021.

All Star Lake Township roads are affected. 380th Street EAST of County Highway 41 will be restricted to 3 tons per axle, while all remaining township roads will be restricted to 5 tons per axle. Otter Tail County Sheriff and State Patrol are responsible for enforcement.

These restrictions will remain effect until road conditions are deemed safe for heavier weights – likely sometime in early May. We will remove signs and issue a bulletin to that effect when that occurs.

You are further advised that the Star Lake Board has approved a permanent Five Ton per axle restriction on the following two township roads:

- 1- 390th Street west from Hwy 41 to the intersection of 280th Avenue,
- 2- 300th Avenue south from State Hwy 108 to the intersection of 390th Street.

Your cooperation on these weight restrictions is greatly appreciated.

Please direct any specific questions any Supervisor, or to Jeff Michaelson at clerk@starlaketownship.org.

Respectfully, Star Lake Town Board
